

Bellingham Volunteer

The main task and mission of Bellingham Volunteers is to greet visitors at points of arrival in Whatcom County.

Those who wish to gain practical work experience and professional references are encouraged to apply as well as those who wish to contribute to the community by sharing and expanding their own knowledge.

Desired Skills:

Bellingham Volunteers should be outgoing and enthusiastic individuals interested in gaining and sharing knowledge in a professional environment.

Applicants should have the following qualities:

- Strong English-speaking skills required
- Comfortable approaching strangers to offer assistance
- Ability to communicate effectively
- Ability to find information and answer difficult or unexpected questions
- Enjoy meeting and interacting with new people
- Ability to thrive in busy and changing environments
- Ability to navigate basic search engines and use internet devices

Schedules will be established based on need and the personal schedules of participants. Shifts will be available weekly from 9am-5pm.

Benefits of Program and Participation

Bellingham Volunteers will have opportunity for personal growth, expanded knowledge and improved skills in working environments. Overall communication and interpersonal skills will improve in changing and fast paced environments.
